

Walk For The Environment

A scenic walk across the Bob Kerrey Pedestrian Bridge

Celebrating Omaha's selection by the

United Nations Environment Programme

as the North American Host City for World Environment Day

Tuesday, June 2

11 am to 2 pm

with the walk beginning at noon

Miller's Landing ([click here for directions](#))

151 Freedom Park Road

Omaha, Nebraska

Grand Marshall: Environmentalist Ione Werthman

Environmental Awareness Festivities and Fanfare

Live music

Blue Planet Grill available for purchase

FREE! No registration required

Door Prizes

FREE t-shirts for the first 200 walkers

Parking lot available at River City Star

The walk will begin at noon. A short program will precede the walk. Walkers will set off at Miller's Landing and continue along the Missouri Riverwalk to the Bob Kerrey Pedestrian Bridge that links Omaha to Council Bluffs, Iowa. The park at Miller's Landing and the three covered pavilions will be available all day for participants' enjoyment. Additional festivities to encourage all citizens to be good stewards of our world are planned.
